

Wander-Must

THE MUST-HAVE PACKING APP

Traveling is already hard – MAKE PACKING EASY

There are packing apps, and there are travel apps, but no one is giving you a social network to really know what to pack! Wander-Must is the app for both. – Well, it's about to be!

Coder(s): Xander & B

- Convert to React to increase app efficiency and eliminate jQuery

Coder: Molly

- Convert to GraphQL for better control over the data
- CRUD completion (add items)

Coder: Wayne

- Increase ease of login with Passport

Coder: Evan

- Add API for local traveling made more fun
- Auto-complete to add items

Coder: Sam

- Increase customization with photos set for the suitcase
- Extra
 - Increase social interaction with notes and post wall.
 - Allow users to change cover photo
 - Persistent search

We can't wait to see what you pack!
